

Will YOU make an impact on your community?

There are many of you who would like to become a Foster or Adoptive Parent *if only* you knew a little more about what that means.

Polk County DSS would like the opportunity to give people in our community a way to learn more about becoming Foster or Adoptive Parents. We are offering **Orientation / Information sessions** for people to gather the information they desire without making a commitment to the 10 weeks of training needed to become licensed.

This opportunity is intended for anyone over the age of 21. Single people, couples, church groups, friends intending to support one another, and anyone who has questions and a desire to have children in their lives are encouraged to attend.

There will be one session offered on the afternoon of **January 14th** from 2 to 3:30 with a second opportunity offered during the evening of **January 16th** from 6 to 7:30.

Both sessions will be held at the Polk County Department of Social Services in Mill Spring. Light snacks will be served.

Please choose one session to attend and **RSVP by January 13th** by contacting Jennifer Pittman: 828-894-2100 or jpittman@polknc.org
